

## SHELBY ABOUT TOWN

### Powder Puff kickoff

That would be the bevy of [Blondes vs. Brunettes](#) participants who poured into Mo's . . . a Place for Steaks last week as an advance strategy session for their charity flag football game set for May 15 at St. John's School. (Proceeds benefit the Alzheimer's Association.)

Mo's charmer/owner **Johnny V** welcomed the ladies and friends that included Houston Texans **Owen Daniels** and **David Anderson**, who surely offered some gridiron insights. The tony group of players, coaches and supporters included **John Andell**, **Kate** and **Will Stukenberg**, **Meredith Riddle**, **Kenady Davis**, **Jason Kaminsky**, **Liz Anders** **Caroline Dudley**, **Todd Dillingham** and Blondes vs. Brunettes chairs **Jill Ford** and **Callie Parker**.

Executive chef **Eric Aldis** oversaw the party fare that featured "Blonde" and "Brunette" martinis, an array of appetizers and mini-root beer shakes.
